

The image shows a calligraphy practice grid. On the left side, there is a vertical ruler with alternating black and white squares. Four 'X' marks are placed on the ruler at approximately the 10%, 35%, 60%, and 85% marks. The main grid consists of a series of horizontal lines. Four of these lines are shaded in light gray, creating four distinct horizontal bands for practice. The grid is otherwise empty, providing space for writing practice.
